Santa Ana, CA, August 15, 2008 -- (PR.COM) -- Janis Publications Inc. announces it has published *Conflict Revolution: Mediating Evil, War, Injustice and Terrorism*.

Author Ken Cloke is Director of the Center for Dispute Resolution in Santa Monica, California and President and co-founder of Mediators Beyond Borders in Pittsburg, Pennsylvania. He is the author or co-author of ten books, a mediator, arbitrator, attorney, coach, consultant, trainer and internationally recognized speaker.

Ken Cloke is one of the foremost authorities on the origins of past and present day conflict, and how it is resolved. From the basics of interpersonal relationships and emotions to crime, labor management relations, prejudice, the environment, politics, education and economics, in *Conflict Revolution* Ken walks us through what it means to become a global citizen on this planet and empowers us with techniques that are different from what we have done unsuccessfully for thousands of years.

Peter S. Adler, president of The Keystone Center and author of *Eye of the Storm Leadership* commented as follows: "Overwhelmed by the politics of our time? Think it's all getting worse? Think again. *Conflict Revolution* will change you profoundly. In the confusions and conflicts of our time lie great opportunities and optimisms. Perhaps even a collective destiny that we can all embrace. If you think that's airy-fairy, think again. Here's a book by someone who has walked the talk, who has been there and done it, who has successfully helped people find resolutions in some of the most trying circumstances imaginable . . . Kenneth Cloke's new book *Conflict Revolution* is a lantern. It illuminates and points the way forward."

Janis Publications Inc. is a California based publisher focusing on topics promoting conflict prevention, conflict management and dispute resolution. *Conflict Revolution: Mediating Evil, War, Injustice and Terrorism* is available from Amazon.com, Barnes & Noble, book retailers worldwide and from the publisher's website [www.janispublications.com](http://www.janispublications.com) in book and e-book format.
